**PROGRAM OBJECTIVES**

At the completion of this CME activity, registrants will be able to:

- Enhance and expand surgical technique in cases such as composite breast augmentation, delayed autologous latissimus dorsi breast reconstruction, and nipple-sparing mastectomy with nerve preservation and grafting,
- Identify tips to improve various nipple techniques,
- Assess advantages of autologous breast reconstruction,
- Review prepectoral reconstruction techniques when utilizing implants, expanders and ADM,
- Discuss alternative ideas in breast reconstruction surgery,
- Update on BIA-ALCL, the role of textured implants, and optimizing outcomes,
- Improve the strategies in management of breast augmentation and mastopexy to maximize results and minimize complications,
- Discuss strategies to limit implant problems related to breast augmentation,
- Debate and discuss controversies in breast surgery,
- Review current techniques of breast reduction and mastopexy to improve outcomes,
- Discuss long-term effects and safety of the oncoplastic breast surgery patient,
- Identify strategies to improve outcomes of difficult breast surgery problems.

THE 2022 HONORARY HARTRAMPF LECTURER:

Hilton Becker, MD – “My Personal 50-year Experience with Breast Reconstruction”

THE 2022 INTERNATIONAL SCHOLARS PROGRAM:

The Southeastern Society of Plastic and Reconstructive Surgeons provides generous funding to different countries each year to sponsor the travel and registration expenses to the top three (3) Plastic Surgery Chief Residents in that country. This Southeastern honor provides them with a unique international educational outreach. The 2022 Foreign Scholars are invited from South Africa.

THE ONLINE 2022 BREAST SURGERY SYMPOSIUM:

The symposium is offered in its entirety via on-line streaming video of the live surgery as well as the lectures to be viewed from the location of your choice. Only one login per user on one device at a time is permitted. Live questions can be emailed from around the world to Atlanta for immediate answers from the faculty direct to you over the Internet. The entire event is archived for three months following the live meeting and may be reviewed during that time if purchased on-line. CME credit is available for registered on-line attendees who view the meeting LIVE. For more information contact: srussell@sesprs.org.
